

August 22

Pastoral Council meeting

Youth Group having planning session and will have information outreach in September

St. Vincent de Paul Society walk is at 9:00 Sept. 29 at Richfield Woods. Assistance is given to an average of 10-12 families each month. Planning an "Undie Sunday" in February to help the homeless.

Polka Mass will no longer be possible as there are no longer accordion players available. A Fall Social will replace that and be held after all Masses the weekend of September 29-30. Having more socials was also something that came up in the parish survey.

The social will also be a time to assist people on entering their information into the online parish directory

A job description for a Director of Music Ministry has been developed and applicants will be sought. The desire to improve music was a leading concern in the parish survey.

There have been a number of requests in the survey and in e-mails to reconsider the time of the 5:00 Saturday Mass. Some people have problems driving after dark and it becomes dark earlier in the winter. We will address this as was done 12 years ago when the congregation voted to move from 5:30 to 5. At this time half the parishes in the area have a 4:00 and the other half a 5:00, so three options will be included in the vote, 5:00, 4:30, or 4:00. The vote will take place at the 5:00 Mass on Sept. 29.

The Community Pregnancy Center is looking for someone from Prince of Peace to serve on their executive board. If you are interested please contact Fr. Bob.
