St. Vincent de Paul has been assisting people and are expecting an increase in requests for housing and other assistance as government programs end or are delayed. They have also been assisting a parishioner who was forced into bankruptcy.

Knights installed new officers. Because of virus, most programs are on hold. Will be distributing funds from there charitable account.

Electronic sign has been well received by people. Discussed other possible uses for it.

Fr. Bob reviewed parish finances and will present to the parish Aug. 15-16. Copies of the financial report will be available at the church entrances.

One of the air conditioners in the school is no longer functioning but we were informed that the other unit could handle it, especially with so little activity at this time. The rectory air also failed (21 years old). Have gotten it running but needs replaced and have ordered a new unit.

Socials and programs are on hold or online because of the virus.

Fr. Bob will look into a Fall Bible study via zoom and welcomes other suggestions about things we can do during the current crisis.
